THE FAT LADY

THE FAT LADY... WHY?

I joined **The Fat Lady** because I am passionate about bringing opera to new audiences in new and exciting ways. After finishing school, I needed more instruction on how to be a complete, well rounded and genuine performer. TFL helps me to perform as myself, always!

Eleanor Sourbutts soprano

I came to audition for **The Fat Lady** because a very close friend of mine already had a great experience working for it. I had finished my studies and I wanted to find a place where I could develop at my own pace, without theatre-made schemes that are present in most opera studios. TFL offered not only various productions and experience, but also wind in my back to continue with projects outside of the group.

As a TFL artist you get opportunities to try out different styles, various productions (recitals, chamber music, opera performance, recordings). There is always something new and unexpected waiting on that journey.

Antonia Dunjko soprano

I auditioned for **The Fat Lady** just after graduation. I felt completely unprepared to be an opera singer and I had almost let go of my dreams. TFL became a place to heal where I learned everything I needed, and discovered who I am as an artist and what I have to offer. Tamir and his team at TFL gave me back my voice and my dreams and everything I needed to make them come true.

Véronique van der Meijden mezzo-soprano

Every new discovery and challenge can be excruciating, but they are gloriously liberating, and I want to do this with like-minded, ambitious people here in **The Fat Lady**, pushing and supporting one another to thrive, and to find my very truth and expression via my voice.

Francis Ng tenor

I am one of the newest members of **The Fat Lady**. I joined this group because I was in dire need of stage experience. Working with Tamir has opened my eyes to both my strengths and shortcomings, which I hope to strengthen. I am looking forward to future productions and to working on my personal growth, which is already happening.

Krešimir Dujmić baritone

The Fat Lady helps me grow, not only as an artist but also as a person.

Youngky Eurlings baritone

The Fat Lady is een klein en dynamisch opera-atelier. In een fluctuerend cultureel klimaat bereidt zij een selecte groep jonge zangers voor op audities, concoursen, op publieke optredens van **The Fat Lady** en op een toekomst in de opera. Met een unieke, persoonlijke aanpak helpt artistiek leider Tamir Chasson samen met zijn creatieve team, de zangers een eigen, unieke stijl te vinden en verder te ontwikkelen.

Verwacht het onverwachte... **It ain't over till The Fat Lady sings!**
